2017 Training Dates - Invasive Species One-Day Module Courses

Due to popular demand, we are repeating our one-day modules on invasive species as per the National Environmental Management: Biodiversity Act (10 of 2004) and the Alien & Invasive Species Regulations.

Four modules offered...

Module 1: Identification & Legislation (Day 1)

Learn to identify the basic invasive species, categories and legislation

Module 2: Directives & Control Plans (Day 2)

How to manage declarations, permits, pre-directives, directives and control plans

Module 3: Theory: Herbicides & Control Methods (Day 3)

Introduction to herbicides and how to use them

Module 4: Practical: Spraying Herbicides (Day 4)

A practical learning experience in the field with industry experts.

Complete Module 3 & Module 4 – and receive an official Herbicide Operator's Certificate

2017 Dates

If you missed our winter training season, sign up for these repeat training sessions
