ILASA looks forward to you joining our next webinar, taking place on the 30th of September at 17:15.

THIS IS A FREE EVENT

REGISTER HERE

The Zoom meeting link will be emailed to those who sign up closer to the event. Please note that the link will come from Dion Abrahams email address. If you do not receive the link by 09:00 on 29 September, please check your junk mail or spam folder or contact Dion at dion@vdw.co.za

You will be able to sign into the webinar from 17:00 should you be new to the format and need help finding your way around.

We also invite you to follow us on social media for updates on future events.

HOUSE RULES

When joining the webinar via Zoom, please take note of two important tabs at the bottom of your screens, the **Chat Box** tab & the **Q&A** tab.

Please feel free to use the **Chat Box** tab to introduce yourselves, where you are from and what organisation or company you represent, so that we and the other guests can say hi. It is always comforting to know you are not alone. Please note that before you click send in the chat box that you select 'reply to all participants' in the drop down menu at the bottom of that window, so that everyone can read your message.

Please use the **Q&A** tab to post any questions you may have for our panellists. Take note of the up-vote system; anyone can vote for a question they would like answered first and will appear at the top of the Q&A tab. These questions will be redirected to our panellists accordingly
