General Notes

- Learners must have a Mentor that also attends each session.
- Guidelines for Mentors can be found on our website.
- All sessions will be via Google Meet and start punctually at 14:00 for a period of two-hours.
- The session is short, focused, and to the point, dealing with on-the-job-experiences.
- All notes and worksheets will be sent after the session.
- Learners are to attend sessions and complete ALL the workplace experience worksheets in order to receive a certificate of attendance.
- The Full Course fees are payable in advance and are non-refundable.
- **Space is limited – so reserve your seat ASAP!**
